734 D V4 Ryan End product

S3-Safetyshoe with sole plate for wet work The all-round safety boot: extremely safe & comfortable, 100% metal free & waterproof. The Ryan has everything you would expect from a safety boot; rugged and durable with all day long comfort and protection for your feet in all conditions. This boot has a fully waterproof membrane, so you don't have to worry about wet feet. You can fully concentrate on getting the job done. The reflective parts on the boot ensure that you are clearly visible in the dark and the Gripforce outsole gives you maximum grip. The extremely cool carbon look on the side of the upper gives the boot a sporty look. It is available in 2 widths (D & XD).
